tom:

D
D
Don't you know I had a dream last night
G D
That you were here with me
D Bm Em A
Lisin' by my side so soft and warm
D
And we talked a while
Bm
And shared a smile
G D
And then we shared the dawn
Bm
But when I woke up
Gbm Em A
Oh my dream it was gone

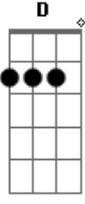

D Bm
Don't you know I had a dream last night
G D
That you were here with me
D Bm Em A
Lisin' by my side so soft and warm
D Bm
And you said you'd thought it over
G D
You said you were coming home
Bm
But when I woke up
Gbm Em A
Oh my dream it was gone

D C D
Em
I'm not the same
A
Can you blame me
D Bm
Is it hard to understand
Em
I can't forget
A
You can't change me
D Bm Em A
I am not that kind of man

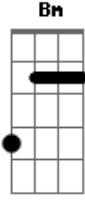

D Bm
Don't you know I had a dream last night
G D
And ev'rything was still
D Bm Em A
And you were by my side so soft and warm
D Bm
And I dreamed that we were lovers
G D
In the lemon scented rain
Bm
But when I woke up
Gbm Em A
Oh I found that again

D C D
I had been Dreamin', dreamin' again
C D C D Em C D
I had been Dreamin', dreamin' again
