

Jim Croce - Time In a Bottle

tom:

Intro: Dm Dm Dm
Dm Gm A7

[Primeira Parte]

If I could save time in a bottle
The first thing that I'd like to do
Is to save every day till eternity passes away
Just to spend them with you

If I could make days last forever
If words could make wishes come true
I'd save every day like a treasure and then
Again, I would spend them with you

[Refrão]

But there never seems to be enough time
To do the things you want to do Once you find them
I've looked around enough to know
That you're the one I want to go through time with

(Dm Dm Dm)
(Dm Gm A7)

[Segunda Parte]

If I had a box just for wishes

And dreams that had never come true
The box would be empty except for the memory
Of how they were answered by you

[Refrão]

But there never seems to be enough time
To do the things you want to do Once you find them
I've looked around enough to know
That you're the one I want to go through time with
