

# Jim Croce - Tomorrow's Gonna Be a Brighter Day

tom: G

Intro:

[Primeira Parte]

Well, I'm sorry for the things that I told you  
But words only go so far  
And if I had my way I would reach into heaven  
And I'd pull you down a star for a present  
And I'd make you a chain out of diamonds  
And pearls from a summer sea  
But all I can give you is a kiss in the morning  
And a sweet apology  
( E A E A )

[Segunda Parte]

Well, I know that it hasn't been easy  
And I haven't always been around  
To say the right words or to hold you in the mornin'  
Or to help you when you're down  
I know I never showed you much of a good time  
But baby things are gonna change  
I'm gonna make up for all of the hurt I brought  
I'm gonna love away all your pain

[Refrão]

And tomorrow's gonna be a brighter day

There's gonna be some changes  
Tomorrow's gonna be a brighter day  
This time you can believe me  
No more cryin' in your lonely room  
And no more empty nights  
'Cause tomorrow mornin' everything will turn out right  
( E A )

[Terceira Parte]

Well, there's something that I've got to tell you  
Yes I've got something on my mind  
But words come hard when your lying in my arms  
And when I'm looking deep into your eyes  
But there's truth and consolation  
And what I'm trying to say  
Is that nobody ever had a rainbow baby  
Until he had the rain

[Refrão]

And tomorrow's gonna be a brighter day  
There's gonna be some changes  
Tomorrow's gonna be a brighter day  
This time you can believe me  
No more cryin' in your lonely room  
And no more empty nights  
'Cause tomorrow mornin' everything will turn out right
