

# Jim Diamond - I Should Have Known Better

Tom: F

And I should have known better  
 To lie with one as beautiful as you.  
 Yeah, I should have known better  
 To take a chance on ever losing you.  
 But I thought you'd understand, can you forgive me?  
 I saw you walking by the other day.  
 I know that you saw me, you turned away and I was lost.  
 You see: I've never loved no one as much as you.  
 I've fooled around but tell me now just who is hurting who?  
 And I should have known better  
 To lie with one as beautiful as you.  
 Yeah, I should have known better

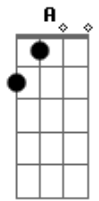

To take a chance on ever losing you.

But I thought you'd understand, can you forgive me?

2x:

should have known better,  
 It's true, I took our love for granted all along.  
 And trying to explain where I went wrong, I just don't know.  
 I cry but tears don't seem to help me carry on.  
 Now there is no chance you'll come back home, got too much pride.  
 And I should have known better  
 To lie with one as beautiful as you.  
 Yeah, I should have known better  
 To take a chance on ever losing you.  
 But I thought you'd understand, can you forgive me?
