

Jim Diamond - I Should Have Known Better

Tom: F

And I should have known better
 To lie with one as beautiful as you.
 Yeah, I should have known better
 To take a chance on ever losing you.
 But I thought you'd understand, can you forgive me?
 I saw you walking by the other day.
 I know that you saw me, you turned away and I was lost.
 You see: I've never loved no one as much as you.
 I've fooled around but tell me now just who is hurting who?
 And I should have known better
 To lie with one as beautiful as you.
 Yeah, I should have known better

To take a chance on ever losing you.

But I thought you'd understand, can you forgive me?

2x:

should have known better,
 It's true, I took our love for granted all along.
 And trying to explain where I went wrong, I just don't know.
 I cry but tears don't seem to help me carry on.
 Now there is no chance you'll come back home, got too much pride.
 And I should have known better
 To lie with one as beautiful as you.
 Yeah, I should have known better
 To take a chance on ever losing you.
 But I thought you'd understand, can you forgive me?
