

Jim Murphy - Someone To Lava

Tom: C

A Long long time ago, there was a volcano.
 Living all alone, in the middle of the Sea.
 He sat high above his bay, watching all the couples play,
 and wishing that, he had someone too.
 And from his lava came this song of hope that he sang out-loud
 every day,
 for years and years.

[Chorus]

I have a dream I hope will come true,
 that you're here with me and I'm here with you.
 I wish that the Earth, Sea, The Sky up above
 will send me someone to lava.

[Verse]

Years of singing all alone, turned his lava into stone,
 Until he was on the brink of extinction.
 But little did he know that living in the Sea below
 another volcano was listening to this song.
 Every day she heard his tune. Her lava grew and grew
 because, she believed his song was meant for her.
 Now she was so ready to meet him above the Sea
 as he sang his song of hope for the last time.

[chorus]

I have a dream. I hope will come true,
 that you're here with me and I'm here with you.
 I wish that the Earth, Sea, the Sky up above

Will send me someone to lava.

[Verse]

Rising from the sea below stood a lovely volcano
 Looking all around but she could not see him.
 He tried to sing to let her know that she was not there alone,
 But with no lava his song was all done.
 He filled the sea with this tears and watched his dreams
 disappear
 as she remembered what this song meant for her.

[Chorus- Female]

I have a dream, I hope will come true,
 that you're here with and I'm here with you.
 I wish that the Earth, sea and the sky up above
 will send me someone to lava.

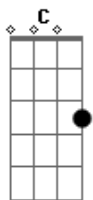

[verse]

Oh, they were so happy to finally meet above the sea,
 all together now their lava grew and grew.
 No longer are they alone with Aloha as their new home,
 and When you visit them, this is what they sing...

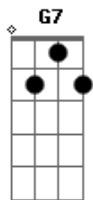

[Chorus - femaleMale]

I have a dream, I hope will come true.
 [male] that you'll grow old with me,
 [Female] and I'll grow old with you,
 We thank the Earth, sea, and Sky we thank too.
 I lava YOU!
 I lava YOU!
 I love YOU!
