Jimi Hendrix - Ezy Ryder

Tom: B	and octave pairs 8x each)
tabbed by Robert m I love you jill Intro: 4X	Lyrics:
Verse: 4X	Here comes Ezy, Riding down the highway of desire. He said the free wind takes him higher trying to find his heaven above,
third time go to outro	but he's dying to be loved Dying to be loved.
4X	He's gonna be living so madly Today is forever so he claims He's talking about dying it's almost tragic baby But don't you worry about today We got freedom coming our way
4X	How long do you think he's gonna last? Can I forecast?
4X	See all the lovers say, do what you please. gotta get the brothers together and the right to be free.
back to intro 2X	In a cloud of angel dust I think I see me a freak. Hey, motorcycle mama you gonna marry me?
Outro: (continue pattern of repeating the half-note slides	Gonna be stoned crazy Love come in kinda easy Stoned crazy, baby
