

Jimmy Cliff - Lonely Streets

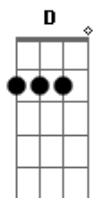

Tom: **D**

I walk the lonely streets **D**
 I walk the lonely streets **Em**
 I walk the lonely streets **D**
 I walk the lonely streets **Em**
 I walk the lonely streets **G**
 There was no love, **D**
 No, no love to be found **Em**
 There was no love, **G**
 No, no love to be found **Em**
 Evening comes **D**
 Sun sinks low **Em**
 Shadows tell **D**
 That it's time **Em**
 To go **D**
 Mystic smiles **Em**
 On faces wide **D**
 Comic styles **Em**
 But their faces **D**
 Don't glow **Em**

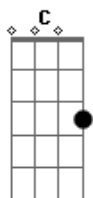

I walk the lonely streets **D**
 I walk the lonely streets **Em**
 I walk the lonely streets **D**
 I walk the lonely streets **Em**
 I walk the lonely streets **G**
 There was no love, **D**
 No, no love to be found **Em**
 There was no love, **G**
 No, no love to be found **D**
 There was no love, **Em**

No, no love to be found **D**
 Wandering child **Em**
 Searching for **D**
 Directions **Em**
 That images don't show **D**
 It's a sin **Em**
 Beckoning **D**
 For the love **Em**
 That they need **D**
 To know **Em**
 As I walk the lonely streets **D**
 I walk the lonely streets **Em**
 I walk the lonely streets **D**
 I walk the lonely streets **Em**
 I walk the lonely streets **G**
 There was no loooooooooooooove **D**
 There was no loooooooooooooove to be found **Em**
 I walk the lonely streets **D**
 I walk the lonely streets **Em**
 I walk the lonely streets **D**
 I walk the lonely streets **Em**
 I walk the lonely streets **G**
 Lonely streets **D**
 They don't reason with me, **Em**
 They don't talk **C**
 They don't reason, they don't talk **Em?**
 They don't talk **C**
 They don't talk
 Oh, no, lonely streets
 Oh, no, only lonely streets
