We all are one, we are the same person

Dm Em

I'll be you, you'll be me (Oh, yeah)

Am G F

We all are one, same universal world

Dm Em

I'll be you, you'll be me

Verse

Am

No matter where we are born

G F

We are human beings

Dm Em

The same chemistry

Am

Where emotions and feelings

G F

All corresponding in love

Dm Em

Compatible

Bridge

F G

You can't get around it

Am G F G

No matter how hard you try

Am G

You better believe it

F G

And if you should find out

Am G

F

That you are no different than I

Dm Em

Reply

Chorus

Am

The only difference I can see

G F

Is in the conscience

Dm Em

And the shade of our skin

Am

Doesn't matter, we laugh, we chatter

G F Dm Em

We smile, we all live for

F G

And the feelings that make

Am G F G

All those faces always renew

Am G

So true, so true

F G

And would you believe that I have

Am G F

All those same feelings too

Dm Em

The same as you

(2x)

Chorus

F C

Look at the children, they're having fun

F C G

With no regards to why

F C

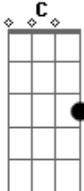

They all look different but deep inside

Dm Em

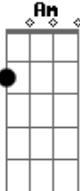

Their feelings of love they don't hide, they don't hide
