

Jimmy Clifton - Razor Blade

tom:
 He said tomorrow was the day that he'd quit
 But never followed through with his decisions
 He would go Church like a hypocrite
 And when he hit the bottom he'd say: I repent
 Woah, woah, woah, woah

Momma called the doctors but they couldn't help
 Daddy had to talk about the usage dealt
 Oh, you see the internet it's heart won't melt
 When it sends a couple billion souls to hell

There's no hope for me, no hope for me
 I'm sinner am I truly saved?
 I feel it choking me, it's choking me
 Death is nearer than a razor blade

Razor blade
 Woah, woah
 Razor blade
 Woah
 Razor blade
 Woah, woah

You know the girl I met? Well we fell through
 I guess that my addiction never let me to
 Have another woman to replace my use
 Of pornographic images to late night blues

Don't you go off tryna copy me
 I've now got depression and anxiety
 And if I die then tell my family
 That I was just an addict to pornography

There's no hope for me, no hope for me
 I'm sinner am I truly saved?
 I feel it choking me, it's choking me
 Death is nearer than a razor blade

Razor blade
 Woah, woah
 Razor blade
 Woah

Razor blade
 Woah
 Razor blade
 Woah
 Razor blade
 Woah
 Razor blade
 Woah
 Razor blade
 Woah, woah

I was sick and tired of the life I lived
 I almost gave it up when I remembered this
 Call upon the Name of the Lord and be saved
 Even though I'm guilty and have misbehaved

I said, Jesus, I know I'm ashamed
 From pornographic images to tongues untamed
 He said: Son, do you believe in me?
 I said: Yea, Lord, now I've been set free

From the sin that held me down to hell
 When all the world was saying you'll do well
 'Cause I was once an addict to pornography
 Till I was crucified with Christ on Calvary's tree

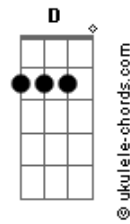

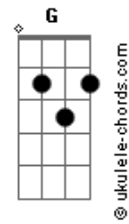

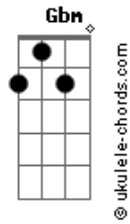

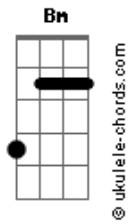

There was hope for me, there's hope for you
 I'm a sinner I was saved by Grace
 It was choking me, it's choking you
 Death is nearer than a razor blade

Razor blade
 Woah, woah
 Razor blade
 Woah
 Razor blade

 Woah
 Razor blade
 Woah
