You gave me all that you could offer

You chewed me up and then the scoffer
Em Am
He took the keys and cut the cord

F C
I feel for everything you said
Em Am
But this rusty gold won't pay my debt

No, oh, oh

F C
I lusted after your success
Em Am
But ended broken here instead

F
Oh my, oh my, yeah
F
Who's this man who paid my debt?

Open up my eyes
F7M
You're the man the Christ
C Em
The only hope for sinners in this life

Woah oh woah

Am
Open up my heart
F
You're the light in darkness
C Em
Cannot comprehend this God and man
Am
But you're the rock on which I stand

(F C Em Am)

F C
My mind was twisted up and skewed
Em Am
My heart was split right into two
F C
My soul was burdened down and blue
Em Am
My strength was gone outside of you

F C
But that's when you said to me
Em Am
Well, son, I reckon you're dead beat
F C
Your burdened soul I can relieve

Woah woah woah

So on that dark night I believed

I deserve the hottest flame

Yet the father called my name
Em
I'm the one whom you should kill
Am
Yet for me your blood was spilled

F
I'm the one who nailed you there
