Capostraste na 2º casa
Intro: F C Em Am F C Em Am
         C Em Am
  You gave me all that you could offer
 Oh, I took that and a little more
 You chewed me up and then the scoffer
 He took the keys and cut the cord
  I feel for everything you said
 But this rusty gold won't pay my debt
No, oh, oh
  I lusted after your success
 But ended broken here instead
  Oh my, oh my, yeah
 Who's this man who paid my debt?
  Open up my eyes
  You're the man the Christ
  The only hope for sinners in this life
Woah oh woah
  Open up my heart
  You're the light in darkness
  Cannot comprehend this God and man
 But you're the rock on which I stand
(F C Em Am)
 My mind was twisted up and skewed
  My heart was split right into two
 My soul was burdened down and blue
 My strength was gone outside of you
  But that's when you said to me
  Well, son, I reckon you're dead beat
  Your burdened soul I can relieve
 Woah woah woah
  So on that dark night I believed
  Oh my, oh my, yeah
 Who's this man who paid my debt?
```

```
Open up my eyes
You're the man the Christ
The only hope for sinners in this life
Woah oh woah
Open up my heart
You're the light in darkness
Cannot comprehend this God and man
But you're the rock on which I stand
I'm the sexual impure
Whose mind's addicted and unsure
I'm the hater of your word
The one who spit at you and cursed
I'm the lazy one inside
Who's wasted years of his own life
I'm the sinner full of pride
Who's angry at his own dear wife
I'm the liar, I'm the thief
I'm the wretched man beneath
I'm the murderer of man
I'm the hater of your hand
God, I've hated on your son
I've cast stones at Christians
I forsook you for that gold
Yet the master gave tenfold
I deserve the hottest flame
Yet the father called my name
I'm the one whom you should kill
Yet for me your blood was spilled
I'm the one who nailed you there
Yet the sin I have you bare
I'm the one who has rebelled
Yet you saved my soul from hell
And who's this man who paid my debt?
Open up my eyes
You're the man the Christ
                                   Em
