## Jimmy Eat World - Always Be

## Tom: F

| Tom: F  |           |      | She's lost in this<br>She's like she'll always be                |
|---|-----------|------|--|
| Verse 1 (intro same chords)<br>F              |           | Dm   | Varce 2 (come chards of $V1$ )                                   |
| r<br>Could have been a night like any other   |           | Dill | Verse 2 (same chords as V1)<br>I was just a boy like every other |
| Bb  |           |      | Thought I was something fierce                                   |
| One of us has to drive, once of us gets to    | o think   |      | I thought I was ten times smarter                                |
| F   |           | Dm   | Love would be something that I'd just know                       |
| I'll force a laugh to break the silence<br>Bb |           |      | How are you going to know the feeling<br>Until you've lost it?   |
| It's going to get harder still before it o    | nets easv |      | Until you ve lost it?  |
|   | gete 646) |      | I've been losing plenty since                                    |
| PreChorus                                     |           |      |  |
| C   | Dm        | Bb   | Chorus   |
| You can't keep safe what wants to break       |           |      |  |
| F Dm  |           |      | Bridge   |
| F Dm<br>I'm alone in this                     |           |      | C Dm Bb<br>Maybe something else I'm missing                      |
| Bh  |           |      | Something good and you're the reason                             |
| I'ma as I've always been                      |           |      | It's a dream but there's a real world waiting                    |
| ,   |           | С    |  |
| Right behind what's happening                 |           |      | Chorus   |
|   |           |      |  |
