

Jimmy Eat World - Cautioners Acoustic

Tom: **A**

A great song off of a great album. This tab, although not indicative of how the song is truly played, sounds good on acoustic if you're playing with one guitar. The open chords add a lot of fullness to the song. The strumming isn't mapped out but it is fairly easy to pick up.

Intro: /Verse

A **F#**

Chorus: "You'll change your mind come monday..."

D **E** **F#**

"Take your steps away with hesitance..."

D **E** **F#** **E** **D**

"Take your steps away from me"

D **E** **A**

Bridge: "Ahh..."

A **E** **F#** **A**

Thats it for this song. It's pretty self explanatory. Comments welcome
