

Jimmy Eat World - Futures

Tom: **Ab**

Found this tab at Taborama for you guys.

Note:

Drop **D** Tuning

I've included all that I can make out. Some 2nd/3rd guitar parts were too intertwined to pick out but I'm sure they're just octaves of the main lead. This will give you a good starting point.

Main Riff (Palm Muted)

Lead Guitar over begining of Main Riff x2
(there's a slight variation the last time played at the end)

Vocals come in and repeat the Main Riff with Guitar 2.

Guitar 2 Over Main Riff (this is close but not exact)

Lead at End of Main Riff before Chorus

Chorus

Return to Main Riff with Lead Guitar.

Return to verse with Main Riff and Guitar 2.

Return to Chorus.

Slow breakdown on acoustic

Intro: duce the Main Riff at the end and not palm muted.

Return to Chorus.

Return to Main Riff palm muted with Lead Guitar ending on F.
