so full of faith yet full of doubt i ask

CHORUS

again  
i shall ask you this once again  
he said: 'i am but one small instrument'  
do you remember that?

VERSE

time and time again you said don't be afraid  
( 'if you believe then you can do it' )  
don't be afraid  
( 'if you believe then you can do it' )  
the only voice i want to hear is yours

CHORUS

again  
i shall ask you this once again  
he said: 'i am but one small instrument'
