

Jimmy Eat World - Invented

Tom: D
Intro: D G Em G

D G Em
When I first came to see you
G D
I called it Houston street
G Em G
Could we meet? Show me all the things you see?
D G
I'm one more here
Em G
Some old-timer pioneer
D G
Who believes with shaken faith
Em G
I still have some cool

Bm A G
I could leave you here with your 'people'
Bm A G
If I'm a flag you'd not prefer to wave

D Em G
You're always in my head
D Em G
You're just what I wanted
D Em G
I live in constant debt
D Em G
To feel you, invented

(Bm A G)
(Bm A G)

D G Em
When I first came to LA
G D
I met you the old fashioned way
G
Too drunk
Em G
And even worse, much too lonely
D G
I'll leave it there
Em G
A busted homesteader
D G
Who believes in virgin grace
Em G
Somehow I'll stay proud

Bm A G
Any dick can roll up in a suit
Bm A G
But only I would know what really moves you

D Em G
You're always in my head
D Em G
You're just what I wanted
D Em G
I live in constant debt
D Em G
To feel you, invented

(D G D D)

D G
There's a cinematic end
D A
I picture it just right
D A G
Having trouble with the right words
D A
But you tell me with your eyes
D G
There's something good I've missed
D A
Something I cant' find
D G
Do you believe me now?
A
Can you see it in my eyes?
G
See it in my eyes?
G
See it in my eyes?
