

Jimmy Eat World - Just Tonight Intro

Tom: G Guitar II

I really like the intro on this song but I get bored after that so I think this intro is or sounds ok. It sounds like two guitars playing, one the high octave and one the low
The rest of the song is pretty easy but I'm too lazy to tab it out.

Guitar I

Then the fourth time that they do it goes like
All 8th notes

Guitar I

Guitar II
