Lyrics:

I see it around me
I see it in everything
I could be so much
More than this
I said my goodbye's
this is my sundown
I'm gonna be so much
More than this

(Chorus)
With one hand high
You'll show them your progress
You'll take your time
But no one cares
no one cares

I need you to show me
The way from crazy
I wann be so much more than this

With one hand high
You'll show them your progress
You'll take your time
But no one cares

With one hand high
You'll show them your progress
You'll take your time
But no one cares
No one cares

I could be so much
More than this
No one cares
I wanna be so much
More than this
No one cares
I could be so much
More than this
No one cares
I wanna be so much
More than this
No one cares
I wanna be so much
More than this
No one cares
I wanna be so much
More than this

Good goodbye
Lovely time
Good goodbye
Tin sunshine
Good goodbye
I'll be fine
Good goodbye
Good goodnight
