

# Jimmy Needham - It Is Finished

Tom: G

It is finished, It is finished, Tetelestai  
The beauty of the double meaning phrase  
He ceased from His labor and so have I  
Now resting only in His grace

It is finished, it is finished, Tetelestai  
The Son of Man succeeding where I failed  
The wrath of God now satisfied  
In Jesus, my Emmanuel

[Refrão]

It is done, Hes alive  
And He is able to bring us life  
In three days, He will rise, Tetelestai

[Verso 2]

It is finished, it is finished, Tetelestai  
My hope found in the Saviors words alone  
He willingly laid down His life

And gloriously He rolled away the stone

It is finished it is finished, Tetelestai  
No longer need I labor for His love  
For Christ fulfilling the law of God  
Was deemed by God to be enough

[Refrão]

It is finished, It is finished, Tetelestai  
The wedding bells of freedom now ring  
Your sons and daughters will testify  
Now to you, Jesus, we will sing  
We will sing  
We will sing

[Final]

On Christ the solid rock I stand  
All other ground is sinking sand  
All other ground is sinking sand  
All other ground is sinking sand  
All other ground is sinking sand
