Left me worse than you think
Bm **Gbm**
I couldn't even imagine
A **E**
That you were capable to leave
Bm **E**
In the middle of our wedding
A **E**
And say "Now I'm free"
A **E**
You broke my heart
Gbm
For a half hour passion
D
And made me cry
A **E**
You broke my heart
Gbm **D**
But you promised you'll never do it to me in your life

A E Gbm D (2x)

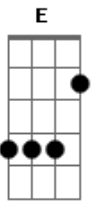

Bm **Gbm**
I know what love can do
A **E**
Blow both our hearts and minds
Bm **Gbm**
But I thought what you feel for me
A **E**
Was the same that I used to feel for you
A **E**
You broke my heart
Gbm
For a half hour passion
D
And made me cry
A **E**
You broke my heart
Gbm **D**
But you promised you'll never do it to me in your life
A **E**
You broke my heart
Gbm
For a half hour passion
D
And don't even tell me why
A **E**
You broke my heart
Gbm **D**
Now I think we were nothing but waste of time

A E Gbm D (2x)
