

Jin (BTS) - Don't Say You Love Me

tom:

Ab (forma dos acordes no tom de G)

Capostrate na 1ª casa

Intro: G Em C D

[Primeira Parte]

I really thought I made up my mind
Hopped in the car and put it in drive
I tried to leave, like, a hundred times
But something's stoppin' me every time
Oh-ooh-ooh

[Pré-Refrão]

Fakin' a smile while we're breakin' apart
Oh, I never, never, never meant
To take it this far
Too late to save me, so don't even start
Oh, you never meant to hurt me
But you're makin' it hard

[Refrão 1]

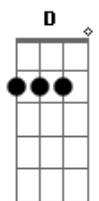

Don't tell me that you're gonna miss me
Just tell me that you wanna kill me
Don't say that you love me
'Cause it hurts the most
You just gotta let me go

[Segunda Parte]

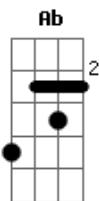

I really thought this was for the best
It never worked last time that I checked
I got this pain stuck inside my chest
And it gets worse the further I get
Oh-oh-ooh
