

Joan Osborne - Lumina

Tom: **G**

[intro]
repeat: **C G C G**

[chorus as intro]
Lumina
Come and wrap around me
Lumina
Take me through the snow

[verse]
D **Em** **C** **G**
Eve take a train, Eve took a train
CGCG
Went to see her man
D **Em** **C** **G**
Melting inside, melting away
CGCG
Like butter in the pan

[chorus like intro]

[verse]
Eve took a fruit, Eve bit the fruit
Just ran down her chin
Babies will put things in their mouths
Never heard of sin

[chorus like intro]
Lumina
Open like the sea
Lumina
Sing me in the dark

[verse]
Eve had to ask, Eve had to ask
What is wrong with this?
Here is the place, now is the time
Let's invent the kiss

[chorus like intro]

Come and wrap around me...
