Joan Osborne - Lumina

Tom: G

[intro] repeat: <mark>C G C G</mark>

[chorus as intro] Lumina Come and wrap around me Lumina Take me through the snow

[verse]

D Em C G Eve take a train, Eve took a train CGCG Went to see her man D Em C G Melting inside, melting away CGCG Like butter in the pan

[chorus like intro]

Acordes

[verse] Eve took a fruit, Eve bit the fruit Just ran down her chin Babies will put things in their mouths Never heard of sin

[chorus like intro] Lumina Open like the sea Lumina Sing me in the dark

[verse] Eve had to ask, Eve had to ask What is wrong with this? Here is the place, now is the time Let's invent the kiss

[chorus like intro]

Come and wrap around me...
