

Joan Shelley - Sweet Dark-Haired Man

tom:

G

Oh sweet, sweet, dark haired man

Oh please, please take my hand

And lead me, lead me, lead me, lead me on

The light, soft on your brow

It shows how you're worried now

I could love you, love you, love you, anyhow

So kind, so sweet and cute

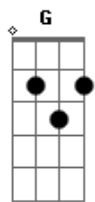

But you're no substitute

You got something, something, something, calling on me

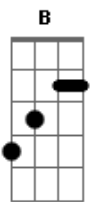

Oh, sweet, sweet, dark haired man

Oh, please, please take my hand

You can lead me, lead me, lead me, lead me on

Envision a cabin so small

The world outside's our hall

Like and old cliché, we sway beneath the stars

Oh, sweet, sweet, dark haired man

Oh, please, please take my hand

You can lead me, lead me, lead me, lead me on

Oh, sweet, sweet, dark haired man

Oh, see, see what I am

And take me, take me, take me anyway

Please, take me, take me, take me anyway
