

João Bá - Bicho da Seda

Tom: D

Bicho delicado, reino tecelão

Fio de magia, brilho de clarão

Sonho de rainha, moda sensação

Lagarta bonita borboleta dourada

Lagarta bonita borboleta dourada

Fora da casulo, moça que namora

Caixa de segredo, folhas da amora

Do verde menino à seda prateada

Lagarta bonita borboleta dourada

Lagarta bonita borboleta dourada

Seu cheiro no vento, pra que solidão?

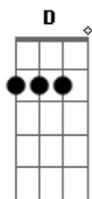

Bate as asas leve, prende o coração

Do rapaz carente, sede de paixão

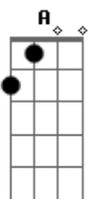

Lagarta bonita borboleta dourada

Lagarta bonita borboleta dourada
