 Roserais F#m(b5/11) F(#11) E7 60 61 62  
 Por você eu teu corsário preso  
 Vou partir a geleira azul da solidão  
 E buscar a mão do mar  
 Me arrastar até o mar procurar o mar

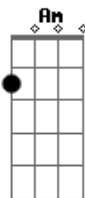

Am G |---5/7---| Corda (E ) Mi prima  
 Meu coração tropical está coberto de neve, mas  
 Ferve em seu cofre gelado À voz vibra e a mão escreve mar  
 prima G |---5/7---| Corda (E ) Mi  
 Bendita lâmina grave que fere a parede e traz  
 Am  
 As febres loucas e breves que mancham o silêncio e o cais

G |---5/7---|  
 Corda (E ) Mi prima  
 Mesmo que eu mande em garrafas mensagens por todo o mar  
 Meu coração tropical partirá esse gelo e irá

 Com as garrafas de naufrago e as rosas partindo o ar
