

# João Bosco - O Bêbado e a Equilibrista

tom: E A7M Dbm7

Caía a tarde feito um viaduto

E um bêbado trajando luto  
Me lembrou Carlitos

A lua, tal qual a dona de um bordel

Pedia a cada estrela fria  
Um brilho de a----lu---guel

E nuvens, lá no mata-borrão do céu

Chupavam manchas tortura----das  
Que su---foco

Louco, o bêbado com chapéu-coco

Fazia irreverências mil  
Pra noite do Bra-----sil, meu Brasil

Que sonha com a volta do irmão do Henfil

Com tanta gente que partiu

Num rabo de foguete  
Chora a nossa pátria, mãe gentil  
Choram Marias e Clarices

No solo do Bra-----sil

Mas sei que uma dor assim pungente

Não há de ser inutilmen----te  
A espe---rança

Dança na corda bamba de sombrinha

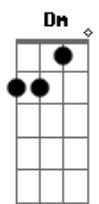

E em cada passo dessa linha  
Pode se ma----chu----car

Azar, a esperança equilibrista

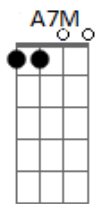

Sabe que o show de todo artista

Tem que conti---nu-----ar
