

João Gilberto - Desafinado

Bm tom:

Si dices que desafino, amor mío
 Que sepas que eso en mí provoca un dolor inmenso
 Sólo privilegiados tienen un oído igual al tuyo
 Yo poseo apenas el que Dios me dio
 Si insistes en clasificar
 Mi comportamiento de anti-musical
 Yo mismo mintiendo debo argumentar
 Que esto es bossa-nova, esto es muy natural
 Lo que no sabes, ni siquiera presentes

Es que los desafinados también tienen un corazón
 Te fotografié en mi Rolleiflex
 Se reveló su enorme ingratitud
 Solo no podrás hablar así de mi amor
 Este es el mayor que puedes encontrar
 Tú con tu música olvidaste lo principal
 Que en el pecho de los desafinados
 En el fondo del pecho late en silencio
 Que en el pecho de los desafinados
 También late un corazón
