

João Gilberto - O Barquinho

tom:

Intro: G G Bbm Bbm6
G G G

Dia de luz, festa de sol

E um barquinho a deslizar
No macio azul do mar

Tudo é verão e o amor

Num barquinho pelo mar
Que desliza sem parar

Sem intenção, nossa canção

Vai saindo desse mar e o sol

Beija o barco e luz

Dias tão azuis

Volta do mar, desmaia o sol

E o barquinho a deslizar
E a vontade de cantar

Céu tão azul, ilhas do sul

E o barquinho coração
Deslizando na canção

Tudo isso é paz, tudo isso traz

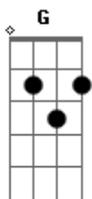

Uma calma de verão e então

O barquinho vai, a tardinha cai
(...)

O barquinho vai, a tardinha cai

O barquinho vai
