

# João Luiz Corrêa - No Rancho do Pensamento

tom:

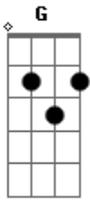

Intro: G Am D Bm Em Am D C

Esta saudade bandida que eu montei só por farra  
 Enforquilha minhas garras, dei de rédea ao coração  
 No lombo deste destino, a sorte se negou sem pena  
 Eu me afirmei nas chilenas mas, sem querer, fui ao chão

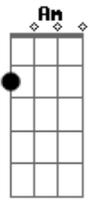

Essa guria atrevida me pealou num vistão

E se atirou em meus braços, chegando sorrateira  
 Com promessa estendida  
 Eu abri a minha vida, escancarei a porteira  
 Sem pedir licença ou pouso no rancho do pensamento  
 Me fez trançar os tentos junto à cuia de mate  
 Eu, que pensei que meu laço fosse laçar tua cintura  
 Mas só ficou tua figura bem junto no arremate
