

# João Nogueira - Entenda a Rosa

tom: G

Eu já mandei prá ela  
 Um botão de rosa amarela  
 Para fazer renascer  
 O grande amor da vida  
 E vou dizer a ela  
 Quanta saudade eu senti

Volta, amor, entenda Rosa  
 O meu coração não pode resistir

Volta, amor, entenda Rosa  
 O meu coração não pode resistir

Não quero mais sofrer  
 Não quero mais chorar  
 Quero voltar a sorrir

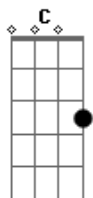

Volta, amor, entenda Rosa  
 O meu coração não pode resistir

Volta, amor, entenda Rosa  
 O meu coração não pode resistir
