

# João Nogueira - Mulher Valente É Minha Mãe

tom:  
F

Intro: C

Mulher valente é minha mãe

Olha, aquela velhinha é de amargar

Levanta às cinco horas da manhã

E só volta pra cama quando o dia terminar

Mulher valente é minha mãe

Olha, aquela velhinha é de amargar

Levanta às cinco horas da manhã

E só volta pra cama quando o dia terminar

Dos seus 72 de existência

Tem 50 de sofrência

Mas não é de se encostar

Ela lava, ela passa e cozinha

E ainda vê três novelas na televisão

Minha roupa anda muito certinha

Com essa velhinha eu não fico na mão

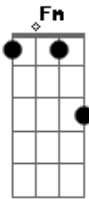

E me acorda xingando: Malandro!

Levanta que é hora de ir trabalhar

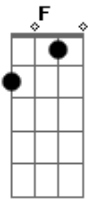

Mas se eu não durmo em casa

Ela fica acordada e começa chorar
