

João Ozanan - Choro de Ouvido

tom: F Dm

Que faço de tudo pra poder te entender

Eu que já vi de tudo não vou me assustar

Coração vagabundo, calejou de sofrer

Deste lado do mundo não posso te ajudar

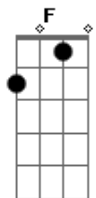

Logo mais eu me mudo de jurar de te ver

Amor antes de me contar, tudo o que faz e o que fez

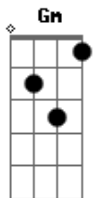

Seguras que não vá machucar meu mundo nem mais uma vez

Te juro que eu vou te escutar
