

João Pasquini - Romance Estelar

tom:

G

Morena pequena, da cor natural
 Parece uma deusa com seu jeito tão especial
 Seus olhos de verde mar, e azul de coral
 Improvável beleza não há no mundo nada igual

Eu penso nela não consigo parar

Esperando um dia ela me notar

0 tempo passa, e ela não vem

Sem ela não fico bem Sem ela não sou ninguém

Até o sol aparece, pra vê-la passar
 Porque nada é tão lindo, do que ela ao chegar

E a lua enciumada, não quer aceitar
 A pequena no seu lugar e no coração do sol morar

E o Sol tão intenso, joga raios no ar

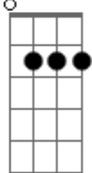

Apaixonado vive um romance estelar

No vai e vem do tempo uma rotina sem fim

Ela não vê o sol (não vê) tão pouco sabe de mim de mim
