Am

Amor to com saudade da gente

Quero te encontrar, quero te beijar amor

Ficar do seu lado, e não te perder jamais

Quero entender essa louca vontade

De ficar todo tempo ao seu lado

Porque é forte o nosso amor

Do... seu lado eu quero... ficar

Te amar, sempre amar

Quando te deixei sozinha

Lembro do seu lindo rosto

A chorar, a me desejar,

Querendo me ter volta

Logo to chegando

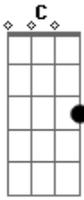

Pra te abraçar e matar a saudade

Que invade o meu peito

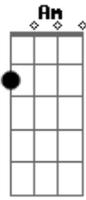

E me deixa /louco, louco por você

Amor, amor
