[Primeira Parte]

Sloe gin, sloe gin  
 Tryin' to wash away the pain inside  
 Well, I'm sick and I'm all done in  
 And I'm standing in the rain  
 And I feel like I'm gonna cry

[Refrão]

I'm so damn lonely  
 And I ain't even high  
 I'm so damn lonely  
 And I feel like I'm gonna die

[Segunda Parte]

Mayday, mayday  
 I've been shot down over the  
 Stormy sea  
 Well I feel like I'm drifting away  
 Can't seem to get a  
 Grip on me Well I can't even try

[Refrão 2]

I'm so damn lonely

And I ain't even high  
 I hate to go home alone  
 But what else is new?  
 I'm so damn lonely

[Solo]

Dm F G Bb C  
 Dm F G Bb C Am

[Interlúdio]

I hate to go home alone, but what else is new?  
 I'm so damn lonely  
 You stand and bleeding people pass me by  
 No matter if you live, No matter if you die

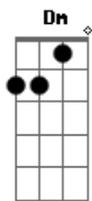

[Terceira Parte]

Sloe gin, sloe gin  
 Tryin' to wash away the pain inside  
 Well, I'm sick and I'm all done in  
 And I'm standing in the rain  
 And I feel like I'm gonna cry

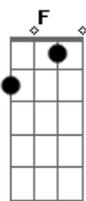

[Final]

I'm so damn lonely and  
 Ain't even high  
 I'm so damn lonely
