

Joe Brooks - Rules Of Attraction

Tom: **E**

Intro: 2x: **E B Dbm A**

Now I don't know much, but the one thing I do,

is that love, love hurt that touch,

Her jealous roots. And you're the flower in a bed, we're born to lose.

Oooh I, Oooh I, Oooh I, I--

I need exception, from the rules of attraction,
'cause I really really really can't accept them

Your so above me, in the measure of beauty,

and I don't think it's fair that that should stop me.

Oh I know, you'll never see, the heart that beats underneath.

That's why I need exception from the rules of attraction when it comes to you.

(**E B Dbm A**) (2x)

Lies feed from the lust, and it's poisonous fruit.

And baby you, you can't help but love, its shallow juice.

There's so much you'll never see, 'cause you can't see through.

Oooh I, Oooh I, Oooh I, I--

I need exception, from the rules of attraction,
'cause I really really really can't accept them

Your so above me, in the measure of beauty,

and I don't think it's fair that that should stop me.

Oh I know, you'll never see, the heart that beats underneath.

That's why I need exception from the rules of attraction when it comes to you.

Oh when it comes to you

Don't you know the path you're on is paved

With all the hearts you left broken and bleeding.

And can't you see the you're living only ends

With lying and cheating, hurt and deceiving.
