

Joe Brooks - The World At Our Feet

Tom: A

(com acordes na forma de
Capotraste na 2ª casa

Intro: G Bm Em D C G Em D

Verso:

Some people like to know

Where they've been

Where they're going tomorrow

I'm not one of those

Some people like to swim

With their eyes open wide

Lines to follow

I'm not one of those

Ooh oh

Pré-Refrão:

And my minds made up

Can I take this road?

And make it my home

Refrão:

Cause the sun don't shine here everyday

and there's a world out there to see

And so take my hand

Come with me, babe

You and I (oh I)

Got the world at our

Fee - ee - ee - eet

We got the world at our

Fee - ee - ee - eet

Verso:

And now I never knew

Just how good it could feel

To be stood by the ocean

Felt like the first time that i

Saw your face

And felt your grace

I'd be lost without you

I'd be lost without you

Pré-Refrão:

And my mind's made up

Can i take this road

and make it my home

Refrão:

Cause the sun don't shine here everyday

and there's a world out there to see

And so take my hand

Come with me, babe

You and I (oh I)

Got the world at our

Fee - ee - ee - eet

We got the world at our

Fee - ee - ee - eet

Got the world at our

Fee - ee - ee - eet

Got the world at our

Fee - ee - ee - eet

Cause the sun don't shine here everyday

and there's a world out there to see

And so take my hand

Come with me, babe

You and I (oh I)

Got the world at our

Fee - ee - ee - eet

We got the world at our

Fee - ee - ee - eet

Got the world at our

Fee - ee - ee - eet

We got the world at our

Fee - ee - ee - eet
