

Joe Exotic - I Saw a Tiger

tom:
Capostrate na 2ª casa

Tell all the hunters to lay down their guns
Tell ?em that the Tiger needs a little bit of love
Let ?em roam the jungle, let ?em roam their lands
And stand back and marvel, what a beautiful cat

[Refrão]

?Cause I saw a Tiger and now I understand

[Segunda Parte]

I can give them a home, safe and warm
But the law wants to ban me, can you tell who's wrong?
Every time they move, every time they breathe
Oh I can feel the power, I can feel the heat

[Refrão]

[Terceira Parte]

You see time is a tickin', they'll soon be gone
You better take a picture, what a sad sad song
Call it Armageddon, such a painful loss
When they killed all the Tigers in the holocaust

[Refrão]

?Cause I saw a Tiger and now I understand

(C F Am)

Oh, I saw a Tiger and now I understand
Oh, I saw a Tiger and now I understand

Oh, I saw a Tiger do you understand?
