

# Joe Jackson - Steppin Out

tom:

[Intro] Gb B# Gb D E D E F D E F D

In..to the night, In..to the light

We are young but getting old before our time

Well leave the TV and the radio behind

Don't you wonder what we'll find

Steppi out tonight

You, can dress in pink and blue just like a child

And in a yellow taxi turn to me and smile

We'll be there in just a while

If you follow me

Me babe, steppin o.....ut

In..to the night, In..to the light

You babe, steppin o.....ut

In..to the night, In..to the light

Now, the mist across the window hides the lines

But nothing hides the color of the lights, that shine

Electricity is so fine

Look and dry your eyes

We're, so tired of all the darkness in our lives

With no more angry words to say to come alive

Get into a car and drive

To the other side

Me babe, steppin o.....ut

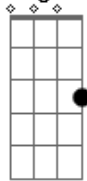

In..to the night, In..to the light

You babe, steppin o.....ut

In..to the night, In..to the light
