tom: B (forma dos acordes no tom de G ) Capotraste na 4ª casa [Intro]

One, two, three, four

[Primeira Parte]

Hey, it's a wild, wild, wild world  
 Fun place for a popular type of girl  
 Hey, I'm a shy, shy, shy, boy  
 Shaking legs with your hands on my corduroys  
 Hey, it's pretty sticky situation  
 I've been burned, so I'm all out of motivation  
 Hey, tryna keep my m-m-mind clean  
 Girls hurt bad, trying to set me back to factory

[Refrão]

She said, "Boy, it's only love, let it in"  
 Baby, hit it like a drug, breathe me in  
 Sure, your heart has been broke before  
 That don't mean that you close the door  
 She said, "Boy, it's only love, love, love"

[Passagem]

Let it in  
 Oh-oh  
 Ah-ah

[Segunda Parte]

Hey, it's a cold, cold, cold night  
 She's looking at me through the bottom of a glass of wine  
 Hey, I'm an old, old, old soul  
 Young enough to dance, but smart enough to take it slow  
 Hey, this ain't a 9-to-5 operation  
 I'm down to fly south, but I don't want the great migration  
 Hey, I'm tryna keep my m-m-mind clean  
 But touch me in the right place and set me back to factory

[Refrão]

She said, "Boy, it's only love, let it in"  
 Baby, hit it like a drug, breathe me in  
 Sure, your heart has been broke before  
 That don't mean that you close the door  
 She said, "Boy, it's only love, love, love" (Let it in)

[Ponte]

Now that I'm here, just as I thought  
 You got my heart in a headlock  
 Now that I'm here, make the bed talk  
 It's only love, it's only love  
 That I'm here, just as I thought  
 You got my heart in a headlock  
 Now that I'm here, make the bed talk  
 It's only love, it's only love

[Refrão]

She said, "Boy, it's only love, let it in"
