Intro: D G

[Primeira Parte]

At school, were you cool? were you cruel? little heartbreaker,
making all the boys cry?

Don't lie, don't lie

Look back, picture that, backwards hat, wear it different now,
still making boys cry

Don't lie, don't lie

[Pré-Refrão]

Conversations, coming to it naturally

So go ahead and ask me, baby, "What are we?"

[Refrão]

What we are, is a lot

Tell you what, we are not

Not our past, our mistakes

Free at last, and that makes

Yes it makes what we are

[Ponte]

Ooh-oooh

Pretend we're in Rio and everything feels so good, it
shouldn't b? right

Would you let it be right, it could be right

T?m sinais que a alma compreende, preciosidade que acende

Nós dois, nós dois

É olho no olho que se entende, ferida que dói não se sente

Nós dois, nós dois

[Pré-Refrão]

Tudo que eu senti um dia, tudo que eu pude saber

Tudo que eu tinha, todas frases clichês, guardei pra você

[Refrão]

What we are, is a lot

Tell you what, we are not

Not our past, our mistakes

Free at last, and that makes

Yes it makes what we are
