I've played with guns, I've burned with fire

So far from myself, I can't cut loose

Reflections in the glass

I've been running from my past

D G A  
I've been running so long I can't breath

D D G G D  
Now all I knew, I know, is nothing baby

Em D G A  
Compared to freedom I found in your eyes

D D G G D  
And all I am, I give to you believe me

Em D G A  
With all that I've been running through I've come to find

Baby your love is life

A D  
I've past the end, I can't go back

A D  
She got me going round and round like a fool

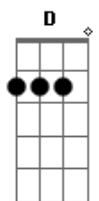

A D  
But she's the one, she's everything that

A D  
Everything a man can't refuse

I've been wearing out my shoes

Hitting walls and breaking rules
