

Joel Ansett - Homesick

tom: [Intro] E Abm

E Abm B Gb

[Primeira Parte]

E
You kissed my face
Smiled on my soul
Told me a story too good to grow old
Wide open space
Joy in my heart
In the gardens of Manito park

[Refrão]

E
I'm homesick most for a place I don't know
But I knew before, I knew before
E
I'm homesick most for a place I don't know
But I knew before, I knew before

(B Abm)

[Segunda Parte]

E
In the cool of the day
Where can I hide

Scared of what's broken between You and I
Angels and flame
Burned in my mind

And there's nowhere to rest for the night

[Refrão]

E
I'm homesick most for a place I don't know
But I knew before, I knew before
E
I'm homesick most for a place I don't know
But I knew before, I knew before

[Ponte]

E
Try to remember your voice
Deep in my mind I have a choice
If I could picture the place I am from
Would it change who I become

[Refrão Final]

E
Homesick most for a place I don't know
But I knew before, I knew before
E
Homesick most for a place I don't know
But I knew before, I knew before
