

# John and Jane Q. Public - Watermelon

tom:

G

I'm a watermelon slammed into your driveway  
Crack me open so I feel the air inside me

Like a tongue, tongue  
In my ear drum, dum-dum  
Music boyfriend, I'm your yum-yum  
Call me and I'll come  
Fuck the rest of 'em  
Fuck 'em all

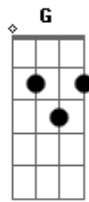

Fuck 'em all but us

( G Em G Em )

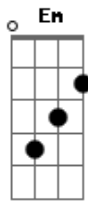

Am I dreaming, or did you just kiss me?  
You don't know it, but you already miss me

G Em
