

John Butler Trio - Somethings Gotta Give

Tom: **Bb** Variation

Ok, my first attempt at a guitar tab (please go easy on me lol) Verse

Just a little tip;
when tuning to open **C** start at **D** and drop it down one whole
step, then **A** you tune Bridge
down one step, and then **E** down two steps, then tune **B** up half
a step. Verse

I'd Advise Pretty Heavy Strings (i use 12 guage)
