E  
The oriental world is in crisis  
Dbm  
Violence spreading, fear arising  
A  
You are too young for hatred, seek true peace  
E  
Believe in love, what you hold is a Bible  
Dbm  
And in the Jordan River, life is flowing  
A  
But tell me more and more and more again, my friend  
B  
Oh, don't you believe we're at the dawn of hope?  
E  
Don't you understand what I'm trying to say?  
Dbm  
Can't you feel the peace I'm feeling today?  
A  
Even if darkness comes, there's a path to follow  
E  
There's someone who can save us, in His grace we trust  
Dbm  
Look around, boy, see the light shining, boy  
A  
And you tell me more and more and more again, my friend  
B  
Oh, don't you believe we're at the dawn of hope?  
Dbm  
Yes, my heart is so full, it feels like it will overflow  
A

I'm just sitting here, contemplating  
E  
I cannot twist the truth, it is eternal  
B  
A handful of righteous men can make a difference  
Dbm  
And peace marches can bring reconciliation  
A  
When human respect is restored  
E  
Everyone will see the beauty of creation  
B  
And you tell me more and more and more again, my friend  
E  
Oh, don't you believe we're at the dawn of hope?  
E  
Think of all the love in Christ's heart!  
Dbm  
Then look around and see the goodness He brings!  
A  
Oh, you can leave this place, but love goes with you  
E  
And when you return, love will still be here  
Dbm  
The beating of drums, the pride in His grace  
A  
You can bury the past, but let love prevail  
B  
Love your neighbor and remember to give thanks  
E  
And you tell me more and more and more again, my friend  
Dbm  
Don't you believe we're at the dawn of hope?  
A  
Don't you believe we're at the dawn of hope?
