

# John Denver - And So It Goes

Tom: E

(com acordes na forma de D )

Capo na 2ª casa

Capo on 2

Intro: Em A D

A mansion on a hill is a lovely sight to see  
but like any other house it's only temporary  
home is anywhere you choose to put your heart  
if there's no love inside it will soon fall apart

Chorus: Ashes to ashes dust into dust  
buildings will crumble bridges will rust  
mountains will disappear and rivers will dry up  
and so it goes with everything but love  
(so it goes) with everything but love (so it goes)

You can drive around in a long limousine

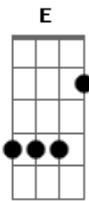

if you don't know where you're goin' it don't mean a thing  
he who walks a mile just to hold an empty hand  
knows what it means to be a wealthy man

Repeat Chorus: same as above except: (palaces will crumble)

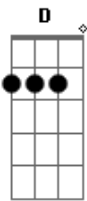

Bridge: Worldly treasures will all pass away  
there's just one thing that was put here to stay

Last Chorus: Ashes to ashes dust into dust  
kingdoms will crumble bridges will rust  
mountains will disappear and rivers will dry up  
and so it goes with everything but love (so it goes)  
with everything but love (so it goes)  
with everything but love (so it goes)  
with everything but love
