

# John Frusciante - So Would've I

Tom: C

Made her into mannequin Am G  
 So would have I Am C  
 I collapse, it's time, it breaks up Am G F  
G  
 Runs out  
 Take your face to the god Am G F  
 No one works so hard Am G F  
F  
 To keep you out  
 Play your hand Am G F  
 Before its your turn to fade out Am G F  
Am G  
 Make her into a fan of him Am C  
 He would die

Am G F  
 Just to take fate somewhere it could have been F  
 Had it been otherwise Am G F  
 Trading the far for the near Am G F  
 Stand, your body's clear Am G F  
Am G F  
 Oh what you understand Am G F  
 Some love fakes you, step where Am G F  
 We stayed to go Am G F  
 It's not always the move Am G F  
 We say it for show Am G F  
 We show you Am G F  
 We say it for show Am G F  
 We show you Am G F
